

# KIDS WEEK

## I N O U R E L E M E N T

**Monday, June 2, 2025** | Today we met Dr Q, Captain Cosmos and the dramatic scientist, Dr. Dastardly. Dr D attempts a DNA mind control device so he can control the entire world. Captain Cosmos panics but Dr. Q helps him realize that each person has their own special DNA that contains all their individual information. Everyone is special, unique, and made by God...on purpose and for a purpose. Dr. Q used the story of Moses to illustrate this and inspire Captain Cosmos to stop Dr. D from world domination. In a strange "twist," Dr. D ended up starting a dance party! He was not In His Element!

**"For everything was created by him, in heaven and on earth, the visible and the invisible, whether thrones or dominions or rulers or authorities— all things have been created through him and for him." – (Colossians 1:16)**
